Brand Story

Our brand is more than a logo or a color palette; it's the visual and emotional reflection of who we are as Sigma women. This guide was created to help every member and affiliate present Sigma Gamma Rho Sorority, Inc. with pride, unity, and excellence.

Inside, you'll find the tools and standards that ensure our materials, whether digital, print, or visual, speak with one cohesive voice. From our emblem and official colors to typefaces and photography, each element tells part of our story and should be used with care and consistency.

As members of this illustrious Sisterhood, we all share the responsibility of protecting and elevating the Sigma brand. Let this guide serve as your compass, reference it often, apply it thoughtfully, and remember: **Every image, every word, and every design represents Sigma.**

Intellectual Property & Brand Marks

Sigma Gamma Rho Sorority, Inc. proudly represents its brand through **royal blue and gold,** the **name "Sigma Gamma Rho,"** the **Greek letters ΣΓP,** and the **Coat of Arms,** collectively known as our **Marks.** These Marks are protected by federal and state trademark laws, reflecting our exclusive and continuous use in the U.S. and abroad.

Sigma Gamma Rho also maintains ownership of unregistered yet vital Marks, program names, publications, jewelry designs, and other copyrighted insignia. These are managed and cataloged within **Sigma's Intellectual Property Catalog.**

ΣΓP®

greater women, greater world.®

The Greek letters appears in typeface Symbol in all caps. The Wordmark can only be rendered in royal blue and gold, and with approval, accents of white.

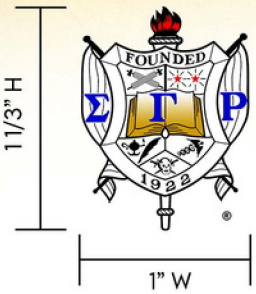

To ensure consistency, downloads of the logo and all approved graphics are available on the national website.

Clear Space

To ensure that clear space is maintained around the logo for legibility and prominence, photos, text and graphic elements must follow the guidelines illustrated here.

Minimum Size

To ensure legibility, the minimum size of our Logomark is **1 1/3" H x 1" W.** If the allotted space is less than the minimum size for the full Logomark, use one of the approved Wordmarks at a reduced size.

When placing the Logomark in publications, it is important that no additional text or imagery overlays the image.

Brand Photography

Sharing photography that captures our Sisterhood in action, service and celebration helps to share the essence of who we are and underscore our messaging. However, there are settings and instances where captured photography should not be shared publicly. Never share publicly or in brand collateral the following:

- Any Sigma Gamma Rho Sorority Ritual
- Photos of reports
- Photos of members or affiliates consuming alcohol or smoking
- All other photos that show members of the Sigma Gamma Rho Sorority, Inc. family in a light that could bring reproach upon the organization

Acceptable Use

- Textured or patterned backgrounds that do not overpower or distract from the message
- Clear, legible typography using approved brand fonts
- Proper use of official brand colors
- High contrast between background and text to ensure readability
- Shield displayed proportionately and respectfully
- Adequate spacing around the Shield (no crowding)
- Clean, professional layouts with balanced design

Unacceptable Use

- Busy or cluttered backgrounds that compete with the message
- Excessive use of clip art, cut-outs, stickers, or decorative overlays
- Low-resolution or distorted imagery
- AI-generated imagery that inaccurately represents official marks, colors, or branding elements
- Shield that is stretched, skewed, recolored, cropped, or disproportionately resized
- Artwork, text, or graphics overlapping the Shield
- Unapproved fonts or decorative fonts that reduce readability
- Excessive all-caps usage in script or cursive fonts
- Text that is difficult to read due to poor color contrast or background interference
